Welcome to Lisieux Normandy

This area is the essence of Normandy. A real postcard. Better yet, it's the beating heart of Normandy.

All the more true as our destination is located in the region's geographical centre.

Just a stone's throw away from long, sandy beaches, tucked away from the crowds, picture lush green countryside dotted with apple blossoms and criss-crossed with streams and rivers to soothe your soul. The perfect location to reconnect with nature.

Here you can take your time!

ECO-FRIENDLY TRAVEL

BE BOTH AUTHENTIC AND ECOLOGICAL ON HOLIDAY - YOU CAN DO IT!

- › Buy regional and seasonal produce to support the local economy.
- › Choose reusable bags when shopping
- › Reduce your speed while driving, and enjoy the view
- › Respect the flora and fauna, when going for a walk or hike
- › Clean up any rubbish that you may find along footpaths, and take a flask to avoid using plastic bottles.
- › Turn a small metal container into a pocket ashtray
- › Don't leave any souvenirs from your 4-legged friend behind
- › When staying or renting somewhere, keep up good habits: sort rubbish, turn off the lights when you leave the room, don't waste water, turn the heating down overnight, don't leave devices on stand-by...

DID YOU KNOW?

LIVAROT CHEESE IS NICKNAMED "THE COLONEL!"

Attention! The emblematic local soft cheese owes its funny nickname to the five rings of bull-rush that encase it, ensuring it doesn't sink. They resemble the five stripes representing the colonel's military rank. Stand down and taste this highly-ranked cheese which has a flavour that never fades!

EVERYONE LOVES CALVADOS, EVEN THE ANGELS!

As per its designation, Calvados can only be sold after it has aged for at least two or three years in oak barrels. Its alcohol content and volume gradually decrease, as it comes into contact with air through the wood. The share of Calvados that naturally evaporates is known poetically as "the angels' share".

« E. GRAINDORGE RECIPES" FROM THE BOARD TO THE PLATE...

Tortilla au Pont-l'Évêque

A simple, quick, tasty, and easy recipe to make on holiday!

Preparation: 15 mins - Cooking time: 30 mins

Ingredients for 4 people

120g of E. Graindorge Pont l'Évêque cheese, 250g charlotte potatoes, 8 eggs, olive oil, a few sprigs of curly parsley, salt and pepper.

Preparation

Peel and cube the charlotte potatoes and brown them off in olive oil, stirring regularly for 20 minutes.

Salt and pepper to taste.

Quickly beat the eggs, adding the potatoes and the Pont l'Évêque chopped into small cubes. Season with pepper, and fry off the parsley in the olive oil. Set aside on a piece of kitchen roll.

Let 30ml of oil heat up in a 20cm non-stick frying pan, pour in the eggs, let the base cook, and cover.

Once the tortilla is cooked through, cover the frying pan with a plate, and flip it, so the tortilla is on the plate.

Leave to cool, and serve with a sprinkle of fried parsley.

Chef's tip: Brown off the potatoes with two cloves of garlic and a few sprigs of parsley - they'll have more flavour.

THE CHARM AND SPIRITUALITY OF OUR CHURCHES

CHURCHES ARE THE IDEAL PLACES TO VISIT, FOR BOTH INTROSPECTION AND MEDITATION, AND TO BEHOLD THE BEAUTY OF THEIR ART WORK. WHETHER YOU'RE INTERESTED IN THEIR SPIRITUAL OR CULTURAL SIGNIFICANCE, OUR CHURCHES OFFER A GREAT DIVERSITY OF HISTORY AND HERITAGE. THEY ARE SHELTERED SPOTS WITH A REAL SENSE OF LIFE!

Lisieux, the only sanctuary of its kind in the world

Sainte Thérèse de l'Enfant-Jésus (Therese of Lisieux OCD), and her parents, the saints Louis and Zélie Martin, made their town one of the most significant pilgrimage sites in all of Europe. Lisieux, the capital of Pays d'Auge, is recognised as a spiritual destination, and is the second most-popular pilgrimage town in France, after Lourdes. All the sites that shaped the lives of this holy family, are also exceptional cultural sites due to their architecture, and the treasures they house. The Basilica is also frequently compared to the Basilica of Sacré Coeur de Montmartre! The ideal place for revitalisation, tranquillity, and emotion.
